

“Shadowdark RPG” Series
by Kelsey Dionne and The Arcane Library

*“In **Shadowdark RPG**, you and your group of crawlers use magic, steel, and wits to delve into mysterious ruins, lost cities, and monster-infested depths. Wondrous treasures and long-forgotten secrets await you! But don’t let your last torch burn out, or you could be swallowed by the Shadowdark....*

5E players will find what they’ve been waiting for: an intuitive and complete TTRPG that serves as a seamless bridge into the heart of the Old School Renaissance. Old-school gamers will find a system that is familiar and nostalgic, but with major quality-of-life upgrades that modernize the old-school experience. Your legend awaits, crawler. Lift your blade, light your torch, and plunge into the unknown depths of the Shadowdark!”
